The Golf Club at Ballantyne Case Study

## THE PROBLEM

- ▶ High dependence on costly paper manual check payments
- ▶ In-house supplier electronic payment enrollment efforts were ineffective and time consuming
- ▶ AP staff time was being disproportionately dedicated to supplier payment management, leaving little time to value-added activities

## THE SOLUTION

- ▶ All AP payments distribution, including paper checks, were solved for by Finexio
- ▶ The AP team's time previously spent on supplier payment management was freed up as the Finexio team engaged in working with suppliers on payment settlement
- ▶ Finexio's supplier enablement experts quickly converted 700 suppliers receiving costly paper checks with cost-effective virtual card and ACH payments

## THE RESULTS

**\$13** MILLION\*

Electronic spend processed annually

**12** K\*

Paper checks eliminated annually

**\$70** K\*

Annual savings from eliminating paper-check payments

\*Annualized from first 2 months of activity
